Contributing Template: the run, step by step

If a step fails, the honest run says so and stops.

Product map: what Contributing Template is for

WHAT IT IS	WHAT GOES IN
https://generator.contributing.md	The files at the top of the tree: CONTRIBUTING.md, README.md, LICENSE.

WHAT COMES OUT	WHERE IT STOPS
What the top files produce when they run or get read. Nothing else is promised.	No service behind it, no account, no upload. If a path is untested, VISUAL.md says so.
